INSTRUCTIONS

In order to expedite and facilitate Department of Defense's review and analysis in the above matter, the following is requested:

1. For each response, HECO should identify the person who is responsible for preparing the response as well as the witness who will be responsible for sponsoring the response should there be an evidentiary hearing;
2. Unless otherwise specifically requested, for applicable schedules or workpapers, HECO should provide hard copies of each schedule or workpaper together with one copy of each such schedule or workpaper on electronic media in a mutually agreeable format (e.g., Excel and Quattro Pro, to name two examples); and
3. When an information request makes reference to specific documentation used by HECO to support its response, it is not intended that the response be limited to just the specific document referenced in the request. The response should include any non-privileged memoranda, internal or external studies, assumptions, HECO instructions, or any other relevant authoritative source which HECO used.
4. Should HECO claim that any information is not discoverable for any reason:
 - a. State all claimed privileges and objections to disclosure;
 - b. State all facts and reasons supporting each claimed privilege and objection;
 - c. State under what conditions HECO is willing to permit disclosure to Department of Defense (e.g., protective agreement, review at business offices, etc.); and

- d. If HECO claims that a written document or electronic file is not discoverable, besides complying with subparagraphs 4(a-c), identify each document or electronic file, or portions thereof, that HECO claims are privileged or will not be disclosed, including the title or subject matter, the date, the author(s) and the addressee(s).
5. In order that DOD and HECO can avoid duplication of discovery already issued by other parties, we would appreciate receiving HECO's responses to DOD-1 and 2 on an expedited basis.
